SENATOR INOUE COMMENTS ON EGYPT

January 31, 2011

WASHINGTON, D.C. _U.S. Senator Daniel K. Inouye released the following statement today about the situation in Egypt.

"It is not for me or anyone else in our country to choose the fate of the current Egyptian government, that is for the people of Egypt to decide. I am a strong supporter of Democratic reforms in Egypt but it should be kept in mind that it sometimes takes a while for democracy to evolve. After all, we're still evolving here in the U.S. We continue to work to embody the vision of our fathers that 'all men are created equal' and we sometimes struggle with that."
